

Inspired by Colombo and England, Colombo House offers a modern table of Sri Lankan cooking. Our menu is rooted in family recipes, shaped by seasonal British produce and weekly imports from Sri Lanka, including a 150-year-old curry and chilli powder roasted and ground in-house. Dishes are served as small plates, cooked to order and designed for sharing – we recommend 4-5 plates between two.

DINNER

இரவு உணவ / ரீ ஷாஹர்
